## Canada: Visas & Passports

All visitors must hold a valid passport. We recommend that passports always be valid for six months after intended period of travel. Visitors are required to hold onward or return tickets, all documents needed for the next destination and sufficient funds to cover the period of intended stay.

Travellers from most visa-exempt countries arriving in Canada by air need to fill in an Electronic Travel Authorization (eTA) form online prior to travel to Canada. This is a new requirement implemented on 28 September 2016 and is applicable to all but U.S citizens and travellers with a valid Canadian visa. Canadian citizens, including dual citizens, and Canadian permanent residents cannot apply for an eTA. As part of the Western Hemisphere Travel Initiative (WHTI), all travellers travelling between the United States and Canada, Mexico, Bermuda, and the Caribbean region are required to present a passport or other valid travel documents to enter or re-enter the United States. If departing from the USA a valid passport will be required by immigration authorities.

### PASSPORT & VISA ADVICE FOR OTHER PASSPORT HOLDERS

A valid passport is required. Please see below for notes on Visa and entry requirements. Visitors may be asked to show return or onward tickets and sufficient funds to cover their stay.

It is highly recommended to have six months' validity remaining on the travellers' passport, as border agents occasionally apply different guidelines to those stated.

### ENTRY REQUIREMENTS

## **USA**

US travellers should have a valid passport if departing from the USA, otherwise other proof of citizenship is accepted in the form of a birth certificate, a US certificate of citizenship, or US certificate of naturalisation. More suggestions would include a NEXUS card. A visa is not required for a stay of up to six months.

## **UK**

UK nationals must have a passport valid for the period of intended stay. A visa is not required for a stay of up to six months. However, the individual must have Electronic Travel Authorization (eTA).

## **South Africa**

South African nationals must be in possession of a passport valid for the period of intended stay. A visa is required. South African temporary passports are not recognised. Passports, identity or travel documents of Bophuthatswana, Ciskei, Transkei and Venda are not accepted.

## **Ireland**

Irish nationals must hold a passport valid for the period of intended stay. A visa is not required for stays of up to six months. However, the individual must have an Electronic Travel Authorization (eTA).

## **New Zealand**

New Zealanders require a passport valid for the period of the intended stay. No visa is required for stays of up to 6 months. However, the traveller requires an Electronic Travel Authorization (eTA).

# **Greece: Visas & Passports**

The borderless region known as the Schengen Area includes the following countries: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Lithuania, Luxembourg, Malta, The Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland. All of these countries issue a standard Schengen visa that has a multiple entry option, and which allows the holder to travel freely within the borders of all the aforementioned countries.

Non-EEA travellers to Greece must hold visible means of financial support to cover their stay in the country. It is also recommended that non-EEA members hold return or onward tickets, and the necessary travel documentation for their next destination. Passengers not holding onward tickets may be asked for proof of sufficient funds for their return or onward journey. It is highly recommended that travellers' passports have at least six months' validity remaining after the intended date of departure from their travel destination. Immigration officials often apply different rules to those stated by travel agents and official sources.

## **PASSPORT & VISA ADVICE FOR OTHER PASSPORT HOLDERS**

A valid passport is required. Please see below for notes on Visa and entry requirements. Visitors may be asked to show return or onward tickets and sufficient funds to cover their stay.

It is highly recommended to have six months' validity remaining on the travellers' passport, as border agents occasionally apply different guidelines to those stated.

- **Limitations of Liability**

International Passengers on Limitations of Liability:

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative

- **International Child Rules**

IMPORTANT INFORMATION REGARDING CHILDREN TRAVELING OVERSEAS:

Goway strongly recommends that children carry a consent letter if they are travelling abroad alone, with only one parent/guardian, with friends or relatives or with a group. For the purposes of this consent letter, a child is defined as anyone who is under the age of majority at the time of travel.

A consent letter may be required, or it may simplify travel, as it may be requested by immigration authorities when entering or leaving a foreign country or by officials when re-entering the USA/Canada. The letter demonstrates that children have permission to travel abroad from parents or guardians who are not accompanying them.

- **VISA: Schengen Area Informatio**

Visa Information for the Schengen Area:

The following 26 countries comprise the Schengen Area: Austria, Belgium, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland.

The Schengen area has common rules regarding visas and controls at external borders:

You do not need visas for short-term visits of up to 90 days within a six-month period. Your stays are cumulative, and include visits to any country within the Schengen area. Some countries require that you register with local authorities within three working days of your arrival.

It is important to get your passport stamped when entering the Schengen area. The absence of an entry stamp from the initial Schengen port of entry could create difficulties during subsequent encounters with local police or other authorities throughout the Schengen area.

After 90 days of stay in the Schengen area, you must leave for another 90 days before you can re-enter.

If you overstay the permitted 90 days in the Schengen area, you may be fined or deported. To visit for longer than 90 days, you must obtain a long-stay national visa.

- **VISA: Greece Information**

Visa Information for Greece:

All foreign nationals entering Greece are required to possess a valid international travel document in the form of a national Passport. It is required that Passports have a validity of at least six months beyond the intended date of departure from Greece. Maximum stay is 90 days in any 180 day period.

## GOWAY INSURANCE

If you are like a lot of people these days, you don't just look forward to your vacations - you need them. A vacation is your opportunity to rest, relax, and recharge your batteries. Unfortunately many things happen that might cause you to cancel your travel plans or cut them short. Cancelling a trip, or parts of a trip, will incur penalties and may also result in extra, unforeseen costs. Emergency medical treatment while travelling can also be a significant out-of-pocket expense; where assistance and proper care is critical. Missing a vacation or having your trip interrupted is bad enough; losing money you paid or paying out extra, especially for overseas medical bills, is even worse.

We offer a number of insurance policies that may vary based on your age and/or vacation price. Coverages may include a combination of the following:

- Medical Insurance (some policies will cover pre-existing conditions if paid with the initial deposit)
- Cancellation Insurance
- Optional upgrade to CFAR (cancel for any reason from 50%-80% coverage)
- Baggage delay and Loss
- Trip Interruption

Goway Travel Protection Plans are your ticket to worry-free travel. Now you can protect your travel investment and take the peace of mind with you when you travel.

It's important to understand the policy inclusions if you are relying on credit card insurance coverage as the amounts covered are capped and duration is fixed. As your trip is a significant investment it is best to be fully informed.

For pricing and details on our insurance policies please contact your Destination Specialist.

### INSURANCE:

We recommend Travel Insurance for all travel. Travel Insurance offers protection for unforeseen trip cancellation. Accidents and illness prior to or during travel can affect not only your trip, but may result in high medical expenses and extra costs, as can weather and flight delays. Any such expenses and costs are the traveller's responsibility, and they shall not be entitled to any refund from Goway Travel, of monies paid, for any unused or lost travel arrangements. Travel Insurance protects against such costs, subject to the insurer's policy conditions. Some countries now require proof of adequate travel medical insurance before allowing entry. We recommend Travel Insurance always!

### FORCE MAJEURE:

We shall not be liable for any claims, losses, damages, costs, expenses, delays or loss of enjoyment, of any nature or kind whatsoever, resulting from events beyond our or a supplier's reasonable control, including but not limited to acts of God, strikes, lockouts or other labour disputes or disruptions, wars, blockades, insurrections, riots, earthquakes, weather conditions, floods or acts or restraints imposed by government authorities.

#### **TRAVEL DOCUMENTS:**

Travel documents and tickets, joining and departure details, supplier addresses and phone contacts will be sent after receipt of final payment.

Note: Entry to another country may be refused even if the required Information and Travel Documents are valid and complete.

#### **PASSPORTS/VISAS:**

A passport valid for six months beyond date of travel is required for entry into all countries. Visas may be required for certain countries; please inquire for details. Please check with your agent at time of booking if visas are still required for these or other countries. If you are not travelling on an American or Canadian passport, it is imperative that you also check visa requirements for all of the destinations you will be travelling to or transiting through. Ultimately, it is your responsibility to ensure you have the correct documentation.

#### **LIVING STANDARDS AND PRACTICES AT THE DESTINATION:**

These may differ from those found in your country of Origin. The standards and conditions in other countries with respect to the provision of utilities, services and accommodation may also differ from those found in your country of origin.

#### **PRICES:**

Because of the volatility of exchange rates for many of the destinations Goway offers, we recommend you confirm our price at time of booking. All prices are subject to change or surcharge. Once we have received your deposit you will be given the opportunity to pay in full to avoid any price increase (in the rare case it occurs). If the total price of the travel services increases and the cumulative increase, except any change in government taxes and fees, is more than 7%, the customer has the right to cancel and obtain a full refund. No price increases will apply after balance is paid in full, except for government charges, such as National Park fees, taxes, and any fees paid locally in destination, that may increase at any time. These are outside of the control of Goway or its suppliers, so must be paid by the customer, even if the booking has been paid in full.

#### **AMENDMENT FEES:**

Once a booking has been made, any change is subject to a communications fee of \$25 per change. Once documents have been issued, any change will be subject to a minimum administration fee of \$50 in addition to communications charges. Suppliers may also charge fees to change certain travel arrangements, and in some cases a change to a booking may see some items assessed for cancellation fees if a change of service or supplier occurs. Please discuss with your travel agent before making the decision to change or cancel any booking item, as it may be considered as a partial booking cancellation depending on the timing and nature of the change.

#### **BOOKING REQUIREMENTS:**

With all the great travel ideas we offer, it should be easy for you to choose a long holiday. If, however you are not tempted to purchase a minimum of 7 days, we must charge a booking fee of \$50 per person. This will be added to your trip price unless Goway issues your international air ticket.
